
Client education program for workers' compensation

Sedgwick offers a comprehensive, webinar-based education program to current clients, covering a variety of topics within the workers' compensation industry. These training webinars are free to member clients of Sedgwick.

Sedgwick's workers' compensation educational series is designed to familiarize yourself with Ohio's workers' compensation system and show you how to maximize your program.

Webinar topics include:

- Navigating Ohio workers' compensation
- Overview of the True-Up process (public and private)
- Benefits of coordinating your claims management
- Reducing your workers' comp spend
- Workplace safety: 5 things you should be focusing on
- Best practices for a successful workers' comp program

Sedgwick offers these educational programs throughout the year. The programs are designated for both private and public employers, private employers only or public employers only. Additionally, all sessions qualify for 1-hour of the 2-hour Ohio Bureau of Workers' Compensation safety training requirement for group and group retrospective-rated employers.

Look for future communications with the dates, times and topics for the 2026 series.
